<b>Education Level</b>	Compulsory Secondary Education (Middle Education) - Students aged 11-16
<b>Collaboration subjects of the Language Assistant</b>	Language assistants are requested to collaborate in the 1st year of CSE (Middle School). The main subjects involved are listed below: Maths, History and Geography, Biology and Geology and Arts.
<b>Norms and Resources for Language Assistant collaboration</b>	<p>We will facilitate the materials needed by the Language Assistant. Besides, our high school contains a large amount of books for teaching English as a Second Language in our High School Library as well as in the English department.</p> <p>Regarding the norms, classes start from 8:00 to 14:30, from Monday to Friday. There is a break from 11:00 to 11:30. We will ensure a suitable timetable to our Language Assistant in case they live in another town, close to Jamilena. Apart from that, the Language Assistant will always be accompanied in the classroom by the reference teacher under the supervision of the bilingual coordinator.</p>
<b>Educational programmes in our high school and complementary activities</b>	<p>Our high school actively participates in many Educational programmes. The staff members of our high school are very well-concerned about the necessity to go beyond the curriculum, in order to develop the student's skills, the exchange of experiences, teamwork and the creation of professional networks. We collaborate in:</p> <ul style="list-style-type: none"> <li>- <a href="#">Aldea</a>: Programme for Environmental Education at high school.</li> <li>- <a href="#">Aula de Jaque</a>: Programme related to playing chess.</li> <li>- <a href="#">Erasmus</a>: Programme devoted to organising learning mobilities</li> </ul>

<b>Information about the neighborhood and city</b>	<p>Jamilena is a small town located west of the capital, at the foot of the Sierra Sur, Sierra de la Grana, in the foothills of the Jabalcuz limestone massif, in an area of olive groves that are the main element of its landscape. Both the olive grove and garlic are the main economic activities.</p> <p>It has a population of 3327 inhabitants, making Jamilena a quiet place for getting in touch with the community and integrating in the local atmosphere. Moreover, if you enjoy wandering around nature, this is definitely your place, due to the fact that Jamilena is surrounded by numerous cycling routes and trekking paths (Vía Verde del Aceite, Pecho de la Fuente and Cueva Palomera) and forests (Sierra de la Grana and Bosque de la Bañizuela).</p> <p>In addition, Jamilena's town hall and the local Youth council offer a wide range of activities in the afternoon such as paddle tennis, tennis, football, zumba, book clubs, and so on. Please, refer to the links below for further local activities:</p> <ul style="list-style-type: none"> <li>- <a href="#">Gym</a></li> <li>- <a href="#">Local library</a></li> <li>- <a href="#">Local youth council</a></li> </ul> <p>Please, refer to the links below for further information about the town:</p> <ul style="list-style-type: none"> <li>- <a href="#">Jamilena's website</a>: This is a website with information about the town in regard to culture, festivities and gastronomy.</li> <li>- <a href="#">More information about Jamilena</a>: In this website, you will know</li> </ul>

<b>Getting to high school and Accommodation</b>	<p>Jamilena is a village where you can walk anywhere, so the best option for assistants is to rent a flat/house in the village (around 250 - 300€). When it comes to looking for accommodation, any member of the school staff will be pleased to help you.</p> <p>Living in Torredonjimeno (6,5km from Jamilena), where there are other Language assistants and some English teachers working in a local language school, could be an alternative. Prices will be more or less the same and many teachers from our high school live there and commute to work, so it will be always possible to find someone to give you a lift to school and/or back home. In addition, it has got 13781 inhabitants and more facilities than Jamilena: two gyms, plenty of supermarkets, restaurants and a lively atmosphere. Please, check this <a href="#">webpage</a> for accommodation choices or contact this <a href="#">estate agency</a>.</p> <p>Apart from that, you can also choose to live in Jaén (17km), which is a larger city with more accommodation options and cultural activities. However, rental fees will probably be higher (sharing a flat around 200€ and renting a flat/house on your own, 600€). To come to our high school, you would have to use the bus every day. The schedules are shown below:</p> <div style="text-align: center;">  <p><b>JAMILENA</b></p> <div style="border: 1px solid black; padding: 2px;">Desde el 01 de Septiembre de 2022 al 30 de Junio de 2023</div> <table border="1" style="width: 100%; border-collapse: collapse;"> <thead> <tr> <th colspan="2">SALIDAS DESDE JAEN A JAMILENA</th> </tr> </thead> <tbody> <tr> <td>De lunes a Viernes</td> <td>07:45 – 09:00 – 11:30 – 14:15 – 19:00</td> </tr> <tr> <td>Sábados:</td> <td>08:45 – 13:00</td> </tr> <tr> <td>Domingos y Festivos</td> <td>10:00 – 19:30</td> </tr> </tbody> </table> <table border="1" style="width: 100%; border-collapse: collapse;"> <thead> <tr> <th colspan="2">SALIDAS DESDE JAMILENA A JAEN</th> </tr> </thead> <tbody> <tr> <td>De lunes a Viernes</td> <td>07:10 – 08:15 – 09:30 – 12:00 – 15:00 – 19:30</td> </tr> <tr> <td>Sábados:</td> <td>09:20</td> </tr> <tr> <td>Domingos y Festivos</td> <td>08:50 – 16:35</td> </tr> </tbody> </table> <p>Los que están en azul pasan por la universidad de Jaén.
